Subject: General Meeting Agenda

Dan,

Here is a list of items for our meeting at noon – it is a long list, but will try to move through it quickly:

NSC Deputies Committee Request – concurrence needed by Friday, 1/29

Climate Classified Documents – has implications for EPA's international portfolio

IPC on Homeland Preparedness – OHS attending, but what role does new team want to play

Cross Agency Working Groups –

- PFAS – Avi will be new lead (formerly Charlotte)
- Cyber security – need new lead (formerly Charlotte)
- Restore Council – need new lead (formerly Charlotte)
- Lead – need new lead (formerly Trump appointee)
- Permitting – whether to keep current lead (currently OP and OCFO)

Fleming Awards – approval of nominations for the Leadership and Management Award, and Applied Science and Engineering Award, which includes one nomination from Trump appointee.

LEAN Management System – LEAN management system originally introduced by Administrator McCarthy, greatly expanded by Trump Administration. Question whether to continue LEAN management system in its form?

E-Enterprise – Deputy Administrator co-leads with ECOS, how does new team want to handle?

Potomac Yards Move – impact on staff and space in WJC buildings

Senior Staff Meeting – Acting Regional Administrator request for other staff to attend.
